

District Councillors' Report to Parish Councils and Parish Meetings: Botley and Sunningwell Ward

January 2018

- 1. Local Plan Part 2 (LPP2):** We await notification of the dates for the Examination in Public in 2018. There's nothing to be done until we hear from the inspector's clerk. You can read the Liberal Democrat group's full response here: <http://cldrdebbyhallett.com/2017/11/22/lpp2-response/>
- 2. Ox-Camb's Expressway:** Liberal Democrats across Oxfordshire continue to press for a public consultation on this sweeping project that will change the face of Oxfordshire forever. With the resignation of Lord Adonis from the Chair of the National Infrastructure Commission this past week, it's not clear now how this project is proceeding. If you discover anything about NIC's plans to keep the public informed, please pass them on to us.
- 3. Air Quality Management:** At the Dec 2017 full council meeting, Emily asked a question of the Cabinet member for Environmental Health about what progress had been made on the 11 action items Cabinet had agreed to as part of the council's Air Quality Action Plan of 2015. (We thought they hadn't done much.) The Cabinet member said she was unable to answer on the night due to the complexity of things, but did send a reply a week later.
